

Amazon Stow Associate Job Description

- Ensuring that display cases, shelves, and aisles are kept clean and well-maintained with constant cleaning practices
- Ensuring conformity by locating items in storage areas and comparing the information on them with work orders
- Organizing warehouse space as well as enhancing and/or optimizing the optimization of space
- Training new employees to uphold the Amazon company policy, sustain customer service satisfaction, and educating them on the point of sale system
- Checking, verifying, and filling customer invoices when required
- Scanning products and physically placing them in their various bar-coded locations
- Removing merchandise and items from the backroom to stock on sales floor shelves and building special sales displays on the sales floor
- Abiding by all Amazon's safety and hygiene regulations.
